#### PART II RULES 12b-25(b) AND (c)

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate.)

- (a) The reasons described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense;

#### PART III NARRATIVE

State below in reasonable detail the reasons why the Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Additional time is needed for the Registrant to have its audit completed and file its Annual Report on Form 10-KSB for the year ended December 31, 2005. Berenson LLP, its independent registered public accounting firm, is awaiting certain financial information and related documentation from the Registrant but primarily the joint venture in which the Registrant is a 50% participant together with Tate & Lyle PLC ("Tate & Lyle"). The joint venture produces Aquasta<sup>TM</sup> for the aquaculture industry at Tate & Lyle's Selby, England facility. Due to the multiple and geographic locations of the accounting records for the joint venture, this information gathering process is made more difficult. A statement signed by Berenson LLP stating the reasons why it is unable to furnish the required certification at this time is attached as an exhibit and incorporated by reference.

Based upon its current schedule, the Registrant anticipates that it will be in a position to file its Form 10-KSB by the  $15^{\text{th}}$  calendar day following the prescribed due date of the Form 10-KSB.
